

4900 FRP

FIBERGLASS REINFORCED POLYESTER (FRP) Entrance Systems

Capitol durable FRP doors absorb broad impact shock, reducing dents, which leads to longer door life. When selecting a Capitol FRP door, choose from standard colors, dark bronze, dark gray, or light gray. Other colors can be special ordered for specific project requirements. The 4900 FRP door system is a great long-lasting, pre-finished alternative to hollow metal and wood doors.

Features

- * Single or multiple ¼" or 1" pre-glazed or open vision-lite arrangements and sizes available
- * Double weather-stripping to resist water and air infiltration
- * Class I 6.0 lb/ft³ polyisocyanurate foam insulated core (CFC/HCFC - Free)
- * Accommodates various commercial hardware, louvers, security grates, and vandal screens
- * Internal hardware reinforcement
- * Fully extruded 4 1/2" internal aluminum tubular frame
- * Stain/Chemical resistant FRP sheet
- * .120 Class A pebble grain face sheets
- * Multiple frame sizes/configuration
- * Custom color paint option available
