

PRECISION MANUFACTURING: BELLEVUE, OH

At Capitol Aluminum & Glass Corporation, our manufacturing process is the heart of our commitment to quality, innovation, and customer satisfaction.

With a state-of-the-art 75,000 square foot facility in Bellevue, Ohio, we combine decades of experience with cutting-edge technology to produce superior aluminum window, entrance, storefront, and curtain wall systems.

We use specialized automated equipment for precise cutting, machining, and assembly. Our technical staff is proficient in AutoCAD and CNC programming, ensuring accuracy from design to delivery. By integrating lean manufacturing concepts, we optimize efficiency and minimize waste, which means faster turnaround times and consistent quality for our clients.

Capitol Aluminum & Glass is committed to sustainable manufacturing practices. We strive to minimize our environmental footprint by:

- **Optimizing Material Usage:** Our precise cutting and machining processes reduce material waste.
- **Recycling Aluminum:** Aluminum is a highly recyclable material, and we prioritize its use and proper recycling within our operations.
- **Energy-Efficient Production:** We continually seek ways to improve the energy efficiency of our manufacturing processes, contributing to a greener future.

The Benefits of Capitol Manufacturing

Choosing Capitol Aluminum & Glass means benefiting from our integrated, in-house manufacturing capabilities:

- **Uncompromised Quality:** By controlling every step of the manufacturing process, from raw materials to finished product, we maintain the highest standards of quality and craftsmanship.
- **Customization and Flexibility:** Our in-house capabilities allow for greater flexibility in design and production, enabling us to create custom solutions tailored to the specific aesthetic and functional requirements of your project.
- **Faster Project Turnaround:** Because we manufacture our systems in-house, we have direct control over the production timeline. This means more efficient project completion and delivery, especially when Capitol Aluminum & Glass is also providing installation.
- **Cost-Effectiveness:** Our optimized manufacturing processes and direct-to-customer model help reduce overhead, providing you with high-quality products at competitive prices.
- **Enhanced Problem Solving:** Our experienced team can quickly address any challenges that arise during production, ensuring a smooth and successful outcome for your project.
