

# YOUR PROJECT, YOUR WAY: TWO DIVISIONS, ONE GOAL

## Contract Direct Sales

For clients who prefer a turn-key solution with professional installation. Our team handles both the manufacturing and the installation of all products, ensuring a seamless process and the highest quality results. Capitol is fully insured, with bonding available if required for your project.

This division primarily services projects located within Ohio, with select opportunities in surrounding states available upon request.

## Benefits To You

- **Effortless Management:** A single-source solution from fabrication to completion saves you time.
- **Flawless Execution:** Professional installation by our experts guarantees optimal performance.
- **Unified Accountability:** One partner is responsible for the entire project, from start to finish.
- **Financial Security:** We are a fully insured company with bonding available to secure your investment.
- **Localized Expertise:** Our dedicated team understands regional building codes and project needs.
- **Guaranteed Performance:** Our reputation ensures a perfect installation that meets specifications.

## Product Direct Sales

This division is for clients who have their own installation teams or work with external contractors. We design, manufacture, and ship our full line of aluminum products directly to your project site. We provide products either pre-glazed with your specified glass makeup or open for infill. Doors can be ordered with or without hardware, or with hardware prep only.

Capitol provides detailed installation instructions, drawings, and dedicated support to ensure a successful installation.

## Benefits To You

- **Financial Control:** Optimize your budget by sourcing your own installation labor.
- **Streamlined Installation:** Sequential trailer loading reduces on-site labor time and costs.
- **Manufacturer Support:** Access our expert knowledge with detailed instructions, drawings, and sales support.
- **Design Flexibility:** Customize products pre-glazing, hardware, and accessory options.
- **Convenient Logistics:** Choose between direct shipping or customer pickup.
- **Trusted Performance:** Our high-performance products are manufactured to demanding standards, guaranteeing reliability and quality.
