CAPITOL Aluminum & Glass
Window & Door Specialists

PROJECT SPOTLIGHT

Framing The Next Chapter At Bellevue Middle School

ARCHITECTURAL GLAZING FOR EVERYDAY LEARNING

For the new Bellevue Middle School, Capitol Aluminum & Glass worked with Telamon Construction to manufacture and install architectural aluminum windows, doors, storefronts, and curtain wall systems. The comprehensive glazing package connects classroom openings, shared spaces, and main entrances through a consistent architectural appearance. Durable aluminum construction brings lasting value to spaces used daily by students and staff.
